FAQs

Q: How does the CFAR trip insurance work?

A: *Every traveler on the trip will have a link on their traveler dashboard that will connect you with Travel Insured International, a provider of travel insurance that is well respected in the student travel industry. This is not required to purchase, but it is strongly suggested to help protect your investment! CFAR Insurance would enable you to file a claim with TII should you have to cancel from the trip and receive a 75% reimbursement of whatever the non-refundable costs were at the time of cancellation. **CFAR insurance must be purchased within 14 days of making your first trip payment!!!** You are not required to use Travel Insured if you have a preferred vendor, it's just Important to note that all travelers have that option available to them! You will put February 28th, 2027 as your final payment date, and you can use the current 50-pax quad rate to purchase. You can update the trip price amount with Travel Insured once it is finalized based on traveler count.*

Q: When we will know the final trip rate?

A: *30 Days prior to departure, final invoices will be sent out!*

Q: When we will know what park visits will happen on what day?

A: *This will not be 100% confirmed until approximately 30 days prior to arrival when final Disney scheduling occurs for both the performance and workshop!*
